PREMIUM GRANULATED, MINCED & CHOPPED SUN DRIED TOMATOES – LOW MOISTURE

DESCRIPTION:

Roma-style tomatoes that are picked at the peak of ripeness and then sun dried using the traditional method to develop the rich flavor profile characteristic of authentically sun-dried tomatoes. The tomatoes are dried further to create products that are appropriate for use in dry mixes, spice blends and other low moisture applications.

INGREDIENTS:

Sun Dried Tomatoes, Sulfur Dioxide and/or Sodium Metabisulfite (for color retention).

SPECIFICATIONS: PHYSICAL

Color Premium sun dried tomatoes are characteristically deep red to brown with slight color variations due to natural growing conditions.

Size •Granulated:A meal-like powder form with the presence of larger granulated particles.Through #20 >99 %Through #50 < 50 %

• Minced:Granular form with minimal presence of fine particles.Through #8 >99 %Through #25 <3%

•Chopped:Granular form with minimal presence of fine particles.Through #4 >99 %Through #16 <8%

Flavor & Aroma Pleasantly sweet, mildly tart flavor accented with a slight caramelized flavor that is characteristic of sun-dried tomatoes.
