

THE MORNING STAR PACKING COMPANY

PRODUCT SPECIFICATION

PREMIUM SUN DRIED TOMATO POWDER

DESCRIPTION:

Roma-style tomatoes that are picked at the peak of ripeness and then sun dried using the traditional method to develop the rich flavor profile characteristic of authentically sun dried tomatoes. Following the drying process, the tomatoes are then milled to create a product appropriate for use in dry mixes, pasta dough, soups, smooth sauces and snack coatings.

INGREDIENTS:

Sun Dried Tomatoes, Sulfur Dioxide and/or Sodium Metabisulfite (for color retention).

SPECIFICATIONS:

PHYSICAL

Color Premium Sun Dried Tomatoes at low moisture are characteristically red to reddish-brown with slight color variations due to natural growing conditions.

Size Regular Powder **ON #8 SCREEN** **ON #25 SCREEN**
2% max 15% max

Flavor & Aroma Pleasantly sweet, distinct tomato flavor accented with a slight caramelized flavor that is characteristic of sun dried tomatoes.

Shelf Life and Storage Ambient shelf life for product in unopened packages is 24 months. To maintain color, texture, & flavor the product must be stored below 65% humidity and away from product with strong odors. Freezing will extend shelf life.
